A Dark And Twisted Tide

I really liked Sharon Bolton's A Dark and Twisted Tide, her fourth Lacey Flint mystery, which is centered on and around the River Thames. The name Thames may actually come from a Welch word meaning, "dark," and from the many, many, scenes in this book, it is not only polluted, but it takes on an ominous tone, an ever-present threat.

A Dark and Twisted Tide: A Novel (Lacey Flint series Book ...

Bolton has carved a niche for herself as a top-of-her-game thriller writer and A Dark and Twisted Tide is sure to keep her there. It is tautly plotted and completely engrossing, with enough edge-of-the-seat action and catch-your-breath suspense to keep you up until the last page is turned.

A Dark and Twisted Tide » CRIME FICTION LOVER

As one might guess from the title, water is the constant within A DARK AND TWISTED TIDE, almost always present throughout the narrative, which bounces across various points of view and back and forth in time. Bolton fortunately labels each change in perspective and shift in time so that readers are never cast adrift, so to speak.
