Located at Fisherman's Wharf in San Francisco, The Musee Mecanique is one of the world's largest privately owned collection of coin-operated mechanical musical instruments and antique arcade machines in their original working (and playable) condition. Open Daily, Free Admission.

Musée Mécanique - San Francisco's Antique Penny Arcade

He whisked me off to SF where he... treated me to a sour dough bowl of clam chowder at Fishermans Wharf, and some exploring of the Musee Mecanique! I used to go see these amazing 'games' when they were hidden away on the side of the cliffs near the Cliff House! They had been moved - some to a place in the east bay, others came here!

I understand that sex creates wet spots on clothing, etc...but if you come walking out of the arcade with cum in your beard, on your shirt, pants, whatever, I reserve the right to point and laugh. We thoughtfully provide paper towels just for that situation. If you choose not to use them then I choose to laugh and call you a douche bag. 9.
