The South Node is a very interesting placement, one from which we can learn a lot about our instincts and habits. For this reason, I think a lot of us experience our first love, whether that end up in a relationship or not, with someone who exhibits a lot of the traits of the sign on our South Node.

By the end of the 15th century, the Ottoman Empire was in extent much like Romania of the Macedonian Emperors had been in the mid-11th century, with, of course, now the same capital, Constantinople.. Much that seems characteristic of Islam today, like the domed mosque and perhaps even the symbol of the Crescent, are due to Byzantine influence by way of the Ottomans.
