### **Civil And Criminal Mental Health**

An important and intersecting area of criminal justice and health policy is how to better handle a person with a mental illness who becomes involved in the criminal justice system. People who are experiencing a mental health crisis are more likely to encounter police than get medical help, according ...

### **Mental Health Needs in the Criminal Justice System**

Each day, men, women, and children behind bars suffer needlessly from lack of access to adequate medical and mental health care. Chronic illnesses go untreated, emergencies are ignored, and patients with serious mental illness fail to receive necessary care. For some patients, poor medical care turns a minor sentence into a death sentence. The failure to provide prisoners with access to needed ...

Sometimes, a commitment is authorized without a prior hearing. The Probate Courts, police and some medical personnel may order someone to be examined in a hospital.

### **Mental Health Commitments - ctprobate.gov**

In Texas, it is estimated that well over 30 percent of jail inmates have one or more serious mental illnesses. County officials fail to respond adequately to the needs of this population, both by over-incarcerating individuals with mental illness during the pretrial process and by ignoring best practices in mental health policy, including those set forth by the Texas Commission on Jail Standards.
