If there is one thing we learned on our quest to build the best manual coffee grinder, it's that the collective wisdom of a group can teach us a lot.. When building Handground, we learned that people preferred a side-mounted handle, numbers on the grind adjustment ring instead of dots, and measurement marks on the side of the hopper.

May 18, 2015, marks the 35th anniversary of one of the most violent natural disasters of our modern time, the colossal 1980 eruption of Mount St. Helens in Washington state. Its explosive power shocked the world and made headline news. Fifty-seven people died, over \$1 billion worth of property was destroyed, and over 230 square miles (600 km²) of forests were immediately flattened.
