Cycling Australia Bicycle Touring Throughout

Cycling in Melbourne, the capital city of Victoria, Australia is enhanced by the city's relatively flat topography and generally mild climate. The city has an active cycling culture for commuting, recreation, fitness and sport and the metropolitan area has an extensive network of off-road bicycle paths, as well as designated bicycle lanes on many streets.

Cycling in Melbourne - Wikipedia

The history of cycling infrastructure starts from shortly after the bike boom of the 1880s when the first short stretches of dedicated bicycle infrastructure were built, through to the rise of the automobile from the mid-20th century onwards and the concomitant decline of cycling as a means of transport, to cycling's comeback from the 1970s onwards.

Cycling infrastructure - Wikipedia

Australian cyclist numbers and population 1985/86 - 2011 compares government records of cyclist numbers nationally and in all Australian states in pre helmet law 1985/86 and in 2011, showing the rate of growth in Australia's bicycle use has been 22.3% less than the rate of total population growth and 37.5% less than the rate of population growth aged 9+ over the past 25 years.

Compulsory bike helmets in Australia harm cyclist safety

Mike Addison lives in San Diego, California. 2019 is his first year leading tours for Adventure Cycling — one through Death Valley, and the other on the TransAm Westward Express from Virginia to Oregon. Mike's first experience touring was in 2013 when he rode cross-country from San Francisco to New York City as part of a documentary movie.

1962 - only a month after the Moulton was launched, John Woodburn (1937 - 14 April 2017) spectacularly broke the Cardiff to London record on a Moulton 'Speed', covering 162 miles at an average speed of 24 miles per hour. This feat immediately established the Moulton as a serious bicycle amongst the public, the press and the cycling community.

I am convinced despite having only met 3 so far that solo female cyclists travelling alone by bicycle are growing in numbers, after all some of the best bicycle touring books have been written by women on wheels, Dervla Murphy, Josie Dew and the late, great remarkable Anne Mustoe to name just a few. Therefore, I am putting a shout out to all the solo female cyclists who have ventured off alone ...
