Prosecutors say the Andressohns starved Woyah to death by restricting her to a raw food diet, also known as a vegan diet or a living foods lifestyle, feeding her only wheat grass, coconut water and milk made from almonds. Those parents caused their child Woyah to suffer malnutrition so severe that it turned that child into a bag of skin and bones, said assistant Florida state attorney.

The Paleolithic diet, Paleo diet, caveman diet, or stone-age diet is a modern fad diet requiring the sole or predominant eating of foods presumed to have been available to humans during the Paleolithic era.. The digestive abilities of anatomically modern humans, however, are different from

those of Paleolithic humans, which undermines the diet's core premise.
