As a fan of dystopian sci-fi stories, I knew I would enjoy Diver Creed Station. It takes place in the 23rd century, after wars, radiation, sterility, and tribalism affected humanity and destroyed civilizations. Diver Creed Station explores a future where people go back and forth between living in reality and in a virtual world.

### **Diver Creed Station by Oliver Phipps - Goodreads**

Diver Creed Station is an amazing sci-fi cyberpunk thriller. The author has shown such a creative imagination inventing this gritty, dark, futuristic new world that seems so real. Oliver Phipps gives you a unique action packed storyline and does an epic job at weaving the plot between the real and virtual world while never leaving the reader ...
