### **God Doesn T Do Second**

It was not the first time I have had no satisfactory answer to that question, and it won't be the last. When you look at the questions of life and death, and when you consider the problems of this death-sentenced generation, even the most fervent believer looks up to the heavens and cries out, Why?

In the English language, capitalization is used for names by which a god is known, including 'God'. Consequently, the capitalized form of god is not used for multiple gods or when used to refer to the generic idea of a deity. The English word God and its counterparts in other languages are normally used for any and all conceptions and, in spite of significant differences between religions, the ...

What does the word "apologetics" mean? The word "apologetics". is derived from the ancient Greek word apologia, which means, an apology.. Not an apology in the modern sense of the word - which is to say you're sorry for something. But rather, an apology in the ancient sense of the word - which is to make a reasoned defense of something or someone.
