Bleeping has been used for many years as a means of censoring TV programs to remove content not deemed suitable for "family" or "daytime" viewing and personal information for privacy. The bleep censor is a software module, manually operated by a broadcast technician. A bleep is sometimes accompanied by a digital blur or box over the speaker's mouth in cases where the removed speech may still be ...

The F word. There are a lot of theories behind the origins of the swear word, f*&# (meaning "to have sex" or "to meddle"). It is believed that it originated from the Middle Dutch fokken, meaning "to thrust, copulate with." However, the truth behind the word still remains unknown because it was banned by the dictionary at the time it originated.
