Since 1998, IWHC has collaborated with regional networks based in Turkey, including Women for Women's Human Rights and the Coalition on Sexual and Bodily Rights in Muslim Societies.

### **International Women's Health Coalition**

The purpose of the day is to uphold women's achievements, recognize challenges, and focus greater attention on women's rights and gender equality to mobilize all people to do their part.

### **International Women's Day 8 March - United Nations**

Long-term, sustainable development will only be possible when women and men enjoy equal opportunity to rise to their potential. But today, women and girls continue to face disadvantages in every sector in which we work, while in some cases, boys are falling behind. For decades, USAID has been leading global efforts to achieve gender equality.

The purpose of the day is to uphold women's achievements, recognize challenges, and focus greater attention on women's rights and gender equality to mobilize all people to do their part.

### **International Women's Day 8 March Women's Day History**

Women's rights are the rights and entitlements claimed for women and girls worldwide, and formed the basis for the women's rights movement in the nineteenth century and feminist movement during the 20th century. In some countries, these rights are institutionalized or supported by law, local custom, and behavior, whereas in others they are ignored and suppressed.
