An electronic book, also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent. E-books can be read on dedicated e-reader devices ...

A brilliant fantasy beyond conventional thought... I read it many years ago for the first time and a couple times since. While I might agree it may require some amount of patience before it manages to engage the reader -- what with the Olde English prose and all -- I think it's well worth the effort.
