Economics and Finance Department -Tennessee State University. Tennessee State University counts on the generous contributions of alumni and friends to fulfill our mission of providing a top-notch, affordable education to the best and brightest students.

Economics and Finance Department - Tennessee State University

Home Economics usually brings to mind sewing aprons and cake baking. However, home economics classes taught much more. These classes acted as a bridge during the 20 th Century for women to enter into institutions of higher education and later into professions. When first introduced in the late 1800s, these classes helped girls prepare for life on the farm helping their families.

The Importance of Home Economics In Schools - QR code

"The theory of economics does not furnish a body of settled conclusions immediately applicable to policy. It is a method rather than a doctrine, an apparatus of the mind, a technique of thinking, which helps its possessor to draw conclusions"- John Maynard Keynes
