Let's Talk About the Future Posted in Darkest Timeline on Jul 18, 2017 Once again into the breach, the current bumfuck governing body that 62 million people voted in has failed to come to a consensus about just how much they should fuck over the people who voted for them (and everyone else, but also those 62 million).

Let's Talk About the Future - Kameron Hurley

Scheduled Events / Timetables. Generally, we use the present simple to talk about future scheduled events (events that you cannot control or change) and timetables (public transportation schedules, movie times, class times, programs, etc.) for example: The train leaves at 8:45 a.m. on Friday. The next bus arrives in 12 minutes. Susan's...
