The PMI David I. Cleland Project Management Literature Award recognizes the author(s) of a published book that significantly advances project management knowledge, concepts, and practice.

### **PMI David I. Cleland Project Management Literature Award**

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
