### **What is the Mystery Behind the Mona Lisa? (with pictures)**

Mona Lisa mysteries. Another conundrum had been the position of the subject's right arm, which lies across her stomach. This was the first time, Cotte said, that a painter had rendered a subject's arm and wrist in such a position. While other artists had never understood da Vinci's reasoning, they copied it nonetheless.

The Theft of a Generation: The Mona Lisa was Stolen. The reason why the Mona Lisa is so famous today (besides the fact that she was painted by a genius, is a beautiful example of a 16th Century renaissance painting and no one knows who she is- all of this is true of a number of paintings which

survive to this day), is that once upon a time, the Mona Lisa was stolen.
