National identity is a person's identity or sense of belonging to one state or to one nation. It is the sense of a nation as a cohesive whole, as represented by distinctive traditions, culture, language and politics. National identity may refer to the subjective feeling one shares with a group of people about a nation, regardless of one's legal citizenship status.

A person who has been legitimately received into the ranks of the clergy. By clergy in the strict sense is meant the entire ecclesiastical hierarchy. Consequently a cleric is one who belongs in some sense to the hierarchy. For this it is necessary that he have received at least the tonsure. The clergy by Divine right form an order or state which is essentially distinct from that of the laity.
