The Suzuki method is an internationally known music curriculum and teaching philosophy dating from the mid-20th century, created by Japanese violinist and pedagogue Shinichi Suzuki (1898-1998). The method aims to create an environment for learning music which parallels the linguistic environment of acquiring a native language. Suzuki believed that this environment would also help to foster ...

Biography. Hough was born in Heswall (then in Cheshire) on the Wirral Peninsula, and grew up in

Thelwall, where he began piano lessons at the age of five. His father, who was born in Australia, worked as a technical representative for British Steel before his death at the age of 54. At an early age, Hough was able to memorise about 100 nursery rhymes and, after much pleading, his parents agreed ...
