The 2017 Annual Report on the Government Major Projects Portfolio (GMPP) from the Infrastructure and Projects Authority (IPA).

Infrastructure and Projects Authority annual report 2017 ...

Overview. Networks can consist of anything from families, project teams, classrooms, sports teams, legislatures, nation-states, disease vectors, membership on networking websites like Twitter or Facebook, or even the Internet. Networks can consist of direct linkages between nodes or indirect linkages based upon shared attributes, shared attendance at events, or common affiliations.
