I enjoyed Replication: The Jason Experiment a lot more than I was expecting. I was pulled into the mystery and the what if this really was happening. It makes you start thinking about that. I like all the characters and would love to read a follow-up book to this one. I will be checking out other books by Jill Williamson.

Replication: The Jason Experiment by Jill Williamson ...

Replication: The Jason Experiment by Jill Williamson I love Jill Williamson's fantasy series. I am a big fan of fantasy and science-fiction. That said, although I did enjoy reading her sci-fi book, Replication: The Jason Experiment, I didn't find it as well thought out or presented as her Blood of Kings trilogy.
