

Revealing Character Texas Tintypes

Revealing Character Texas Tintypes

Revealing Character: Texas Tintypes. America's first major contribution to the art of photography, which dates back to the heyday of the cattle drives (1850-1880), tintypes went on to become the country's favorite portrait format. A tedious and unforgiving method of photography that requires patience and commitment from both the subject and...

Revealing Character: Texas Tintypes by Robb Kendrick

Black cloth with tintype image inset into front cover. First edition. Very fine copy in a fine dust jacket. Using the laborious tintype process, Kendrick captures 94 twenty-first century cowboys from ranches all across Texas. This work masterfully captures today's working cowboy as only someone who grew up in Spur, Texas, could.
