An enlarged floor plan that makes the most of nooks and crannies turns a modest house into a happy home for three

Small Space Solutions | This Old House

Because small is beautiful, too. If you're looking to add storage/display surfaces to your living room, consider going leg-free and attaching units directly to the wall (like this Besta unit from IKEA in a room via Livet Hemma). Floating large pieces like this tricks the eye into thinking less space has been taken up because the floor area is still free (plus, you can use that newly found ...
