The British Isles are a group of islands in the North Atlantic off the north-western coast of continental Europe that consist of the islands of Great Britain, Ireland, the Isle of Man, the Hebrides and over six thousand smaller isles.

British Isles - Wikipedia

Explore the amazing story of smuggling in 18th and 19th century Britain, when high taxes led to a massive increase in illegal imports. As the "free trade" grew, smugglers defiantly landed contraband in full view of the customs men: armed thugs protected the cargoes.

smuggling

The book on which this website is based traces the story of British smuggling, from its roots in the 12th century wool trade, through its heyday in the mid-18th century, to its decline some fifty years

later. Unfortunately, the book is now out of print, and the publisher has no plans to reprint it.
