Seizure Training for School Personnel CDC Course No. RPWD 2903 This free, interactive course is designed as a part of the school nurse training program. The Epilepsy Foundation developed "Seizure Training for School Personnel" in response to the need for a consistent educational tool to help promote a positive social and educational environment for students living with seizures and epilepsy.

Seizure Training for School Personnel | Epilepsy ...

The Epilepsy Foundation of Greater Chicago's objective is to help people with epilepsy live their everyday lives. And in order to do so, we serve our constituents through three primary avenues of support.

Epilepsy Foundation | Epilepsy Foundation

Epilepsy is a group of neurological disorders characterized by epileptic seizures. Epileptic seizures are episodes that can vary from brief and nearly undetectable periods to long periods of vigorous shaking. These episodes can result in physical injuries, including occasionally broken bones. In epilepsy, seizures tend to recur and, as a rule, have no immediate underlying cause.

Epilepsy - Wikipedia

Keeping current on evidence-based guidelines and practice parameters is critical for epilepsy professionals to provide quality care to patients and families. The following sections provide resources or links to epilepsy-related guidelines or practice parameters that may be useful for health care professionals.
