The Narrative of an Explorer in Tropical South Africa ...

Let's rewrite the narrative. I've been obsessed lately about this idea of rewriting the narrative, about using our crafts and skills to bring change. First of all, while I am writing this, I have to admit that I really don't know how to do so myself, especially how to use my coding skills to do more and for me this is a struggle.

Rewrite the narrative - Explorer Journey

Narrative Essay. In essays, the narrative writing could also be considered reflection or an exploration of the author's values told as a story. The author may remember his or her past, or a memorable person or event from that past, or even observe the present. • The author may write about: -An experience or event from his or her past.

Home » Language & Lit. An exploration narrative, also known as travel literature or travel writing, is an author's description of his experience seeing an unfamiliar place. Unlike travel guides, which tell people about places to visit while on vacation, travel writing is a subjective look at a place through the eyes of the author.
