Police dispatchers are members of law enforcement who answer calls for emergency services in a calm manner. The dispatcher must determine quickly the urgency of the request and dispatch officers to the scene. Close contact with dispatchers allows officers to request additional assistance and other emergency personnel.

Ruckit is the best digital platform for heavy construction where contractors, producers, carriers, and drivers can collaborate easily to optimize the movement of construction materials.

### **Trucking Management Software | Ruckit**

The trucking industry has affected the political and economic history of the United States in the 20th century. Before the invention of automobiles, most freight was moved by train or horse-drawn vehicle.. Trucks were first used extensively by the military during World War I. With the increase in construction of paved roads, trucking began to achieve a significant foothold in the 1930s.
